SECTION – 7 COMPREHENSION

This is the worst day of my life. I am feeling very sad. You may not believe it, but I am the saddest person on this earth.

The reason is that nobody loves me. I have a family -mummy, daddy, granny and a younger sister. I have been sitting here behind this sofa for the whole day- OK -for the last eight hours- all right, alright - at least an hour, at least TEN whole minutes and no one has noticed!

They are all interested only in my sister. Even when she cries for no reason they all rush to her, pick her and give her whatever she wants.

I should really go away and live in some interesting places. I think I'll become a hermit and wander in the mountains and forest. I will eat the fruit on trees and make friends with birds and animals.

Or I could ride away on the camels and live in a desert. At night I will sleep in a tent. Or better still I'll travel to the North Pole and live in and an igloo made of ice. I will make friends with the polar bear.
